Sam,
No need to send any Plans or Bonding just yet. We will get back to you next week with regards to your request for a copy of the protest.

Thanks,

Ms. Wilder:

Thank you for your e-mail. We knew that this was coming, and also confirmed it by viewing the GAO website on 10/30/13.

1. We have the Project Plans all written up, and I am reviewing them today to submit. Should we send or not send to the COR ?
2. We have bonds also ready to go. I guess we should hold off on them also.

Lastly, we are considering being an intervener on this protest. Please send us a copy of the filing so that we can decide.

Sincerely,

Samuel Mudumala, PE
President
